WATER CONSERVATION

Due to low water flow Trenton Water Works in coordination with partner municipalities is requesting water use restrictions for the City of Trenton and Ewing Township, and portions of Hamilton, Hopewell, and Lawrence Townships that are served by Trenton Water Works. Trenton Water Works is urging customers to conserve as much water as possible. Customers should limit all water uses, and refrain from any nonessential uses of water in order to conserve. Please be aware that although not anticipated recovery to normal operations could take several days, and customer conservation will be necessary until further notice.

Trenton Water Works en coordinación con los municipios asociados está solicitando restricciones de uso de agua para las ciudades de Trenton y Ewing Township y secciones de Hamilton, Hopewell y Lawrence Townships ya son suministradas por Trenton Water Works. Trenton Water Works solicita urgentemente a sus clientes que ahorren la mayor cantidad de agua posible. Los usuarios deberán limitar todo el consumo de agua clientes deben limitar todos los usos del agua y abstenerse de cualquier uso no esencial del agua para conservar.
