

On November 10, 2015 at 10:30 a.m., please join Mayor Eric E. Jackson and Mercer County Executive Brian M. Hughes for the official “answering the call” of First Lady Michelle Obama’s Mayors Challenge to End Veteran Homelessness by 2015 and for the unveiling of the Trenton/Mercer Plan to End Veterans Homeless created by the Mercer Alliance to End Homelessness. The event will be held at the new Coordinated Entry and Assessment Services (CEAS) Center located at 509 Perry Street, in Trenton.

This bold initiative outlined in the Opening Doors: Federal Strategic Plan to Prevent and End Homelessness is endorsed by the Secretary of HUD, leaders across the Veterans Administration (VA), the United States Interagency Council on Homelessness (USICH) and the National League of Cities for mayors, county leaders and governors to commit to ending veteran homelessness by 2015.

The City of Trenton and the County of Mercer is proud to be among the 850 leaders around the country to answer the call and more importantly work with a team of dedicated veteran housing providers and community leaders to ensure now and in the future that no veteran will remain homeless in our community.
